The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Energy Efficiency Enhancements to Salinas Industrial Wastewater Treatment Facility Project in fiscal year 2024. The entity to receive funding for this project is the City of Salinas, located at 200 Lincoln Avenue, Salinas, CA 93901. The funding would be used for electrical upgrades to improve the operation and efficiency of the Industrial Wastewater Treatment Facility. The project is an appropriate use of taxpayer funds because it would improve and lower the operational cost of the Industrial Wastewater Treatment Facility.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren
Member of Congress
